Sustainable art activity using old plastic bottles, cartons, egg trays and bottle caps etc were painted by our little ones.

The Earth day celebration was full of fun , smiles and nature - loving activities.

Sustainability is the key to life.

On 23rd April, our learners and staff put everything aside to dive into the wonderful world of books for Drop Everything and Read (D.E.A.R.) Day! From classrooms to corridors, the spirit of reading filled the air as we celebrated the joy and importance of literacy.

Let's keep the love for reading alive every day.

Learning is an adventure !

Do, reflect, learn and grow.
