

HIGHLIGHTS

AUGUST & SEPTEMBER 2020

The school organized an Online Inter-School Competition - **Talent Fair 2020** on 4th September'2020. The theme of the event '**Celebrating Togetherness**' focused on igniting young minds to lead a purpose-driven fulfilling life.

Around 450 students from more than 20 schools of Delhi enthusiastically participated in a plethora of activities on various topics. Everyone became part of this extravagant event wholeheartedly and worked towards its success.

Rukmani Devi Public School, Pitampura was given the '**Team Championship**' award.

All position holders and participants of the event were conferred with E-certificates of merit.

A special assembly was organised virtually to celebrate 73 years of our Independence. The celebration started with a special prayer song and scripture reading. After that a wonderful PowerPoint Presentation was given about the great women of India who brought laurels to our country. The audience were then thrilled by an amazing solo song performance and a semi classical dance performance by students. To revive the spirit of nationalism an excerpt of the iconic speech of Jawaharlal Nehru, 'Tryst with Destiny' was presented by a student. The assembly ended with the school song and singing of the National Anthem.

YOUTH PARLIAMENT

To familiarize students with the functioning of Parliamentary system and to create sensitivity towards social issues, Social Science Department of Queen Mary's school, Northend organized Model **Youth Parliament Session** on 20th August, 2020 virtually through Google Meet.

It offered a platform wherein students were acquainted with the procedural working of the Lok Sabha. The session concluded with our respected Principal ma'am encouraging students by motivating them to become visionary leaders of the nation.

Teachers day celebration is a unique way to give tribute to the profession which provides foundation to all other professions. Our school has carried forward this tradition by organising a virtual Teachers Day Celebrations on 5th September, 2020 in order to recognize the hard work of teachers and exhibit the strong bond of Students - Teacher relation, which remains unaffected under any circumstances. Students expressed their feelings by preparing beautiful cards, posters, singing songs and poems for their teachers.

Triumph & Glories

- **Harshita Gambhir** of class IX qualified & secured **26th Rank** out of 151 in **Junior Science Talent Search Examination 2018-19**
- **Tanvi Dhaiya** of class VI obtained **88%** in the 'Vishvasanskritam', a **quiz competition** organised by Vedic Educational Research society.

Budding musicians of our school got the opportunity to participate in the National level, music competition; in its 11th edition, **ITIHAAS ANVESHAN ONLINE**. Students of our school presented an enchanting and melodious self-composed group song on the theme: '**No One's People**' & '**Dream Destinations**' which was appreciated and applauded by the judges. They were also asked various questions on their research work done on these topics.

The Psychology Club of our school gave us a virtual tour of psychology exhibition on 4th August'2020, the theme being "Psychological Science Talk" created awareness in mental health and well-being.

The entire exhibition was based on some tips for students to increase their psychological aspects of student life and few techniques to enhance their learning capability with different kinds of psychological methods.

A 15-minute video documentary published by **DRDO (Defence Research and Development Organisation)** was shared with our budding young scientists during online classes to trigger their interest in science and technology. Also, to convey the great achievement of the country to youngsters and to make them understand the various technological challenges. The video precisely explained **MISSION SHAKTI- India's first anti-satellite (ASAT)** missile in a very interesting manner. They have also explained the need and various complexities which came during the making of this missile. And how DRDO scientists worked hard day and night to make this mission successful.

Students of our school participated in an Online course on **"CLIMATE CHANGE"** organised by NINEISMINE organisation in collaboration with UNICEF. After successful completion of the course the students were awarded E-certificate from **Greta Thunberg's Fridays for Future, UNICEF and NINEISMINE.**

Following this our school also qualified for the next project called **jagART, in collaboration with Adelaide Central School for Art (ACSA) - Australia's top most school of Art** in which our student **Saanvi Jain of class VIII-C** got a wonderful opportunity to attend an online workshop conducted by JagART on 22nd August'2020. JAGART is an initiative to virtually bring together all the young artists. The session had concluded with a renowned **Australian Artist Dr. Daniel Connell** who addressed the participants about the art program and all that they have to prepare for the next session using the waste material available at their place like newspapers, magazines, pamphlets, CDs, books, broken bangles, tissues, bottle caps, hoardings, cartoons, etc.

An artwork by **Saanvi Jain of class VIII C** using waste material like used Foil paper, waste CD, old newspapers, broken bangles etc.
