

# QUEEN MARY'S SCHOOL, NORTHEND

Model Town-III, Delhi-110009

## HIGHLIGHTS MAY-JUNE 2021

### World Environment Day

(June 5, 2021) is the United Nations Day for encouraging worldwide awareness and action to protect our environment and to celebrate the occasion and instil awareness about it amongst our dear students an online quiz was conducted. The students also presented a video highlighting the theme of this year's World Environment Day 2021 "Ecosystem Restoration" stressing upon the urgent need to take action to restore our planet Earth.

### Art in all its forms encourages a child to use their imagination

An **Online Craft Workshop** was organised for the students of classes VI-IX on a virtual platform. The students were enthusiastic to learn the technique and took active part in it. It was a wonderful experience for all the students.

CLASS 9: FRAME MAKING ACTIVITY

CLASS 8: PAPER FLOWER MAKING

CLASS 7: HAND PUPPET MAKING

CLASS 6: HAND PUPPET MAKING

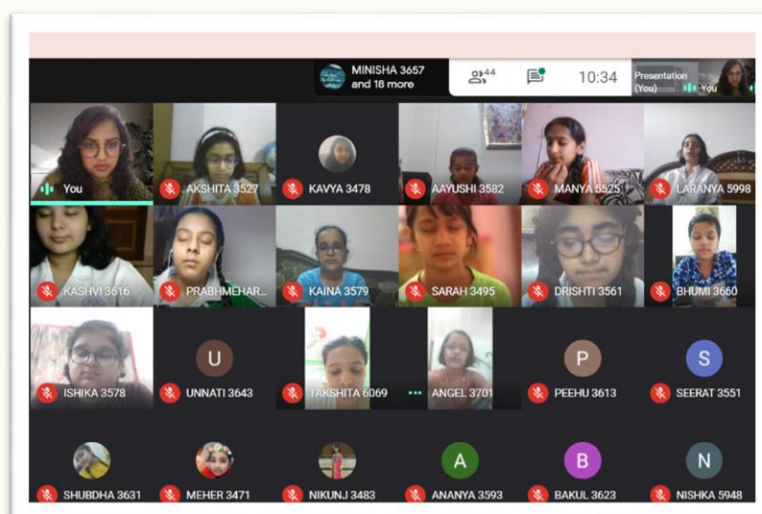

## Happiness and Emotional Wellbeing Sessions

Our School conducted a weeklong program aimed at Happiness and Emotional Wellbeing for classes 6<sup>th</sup> to 12<sup>th</sup> from 10 May, 2021 – 17<sup>th</sup> May 21, 2021.

The objective of the program was to promote the feeling of Emotional Wellbeing among students, facilitate Self-Reflection through different Expressive Modalities and to inculcate Hope and Gratitude during the troubled times.

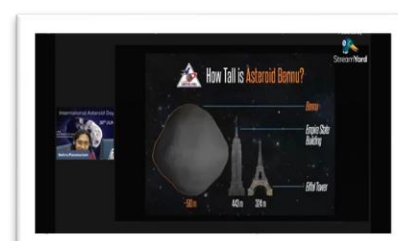

The program was specially curated taking into consideration the concerns and interests of the students typical of their age group and the present external situations. During the course of the program the students indulged into activities of self-reflection, emotional intelligence and management of emotions, mindfulness and the essence of being grateful to God for everything.

Astronomy is the science that seeks to explain everything that we observe in the universe. With an aim to provide learning about Eclipse, the Astronomy club of our school prepared a video presentation - **ECLIPSE: THE SAGA OF SHADOW**. This video was shared with the enthusiasts of class VI-XII. The Video emphasized scientific phenomenon and other aspects of solar and lunar eclipse. The world witnessed two eclipses this year, total lunar eclipse on 26th May, 2021 followed by Annular solar eclipse on 10th June 2021. Students gained knowledge about this wonderful phenomenon of the space.

## International Asteroid Day

30th JUNE'21: The Queen Mary's School had the chance to participate in the 'International asteroid day' virtual session, led by the Delhi-based Nehru Planetarium, on YouTube live. Mr.Siddharth Madan & Mr. Saurabh K. took the session sharing major details about asteroid and space science.

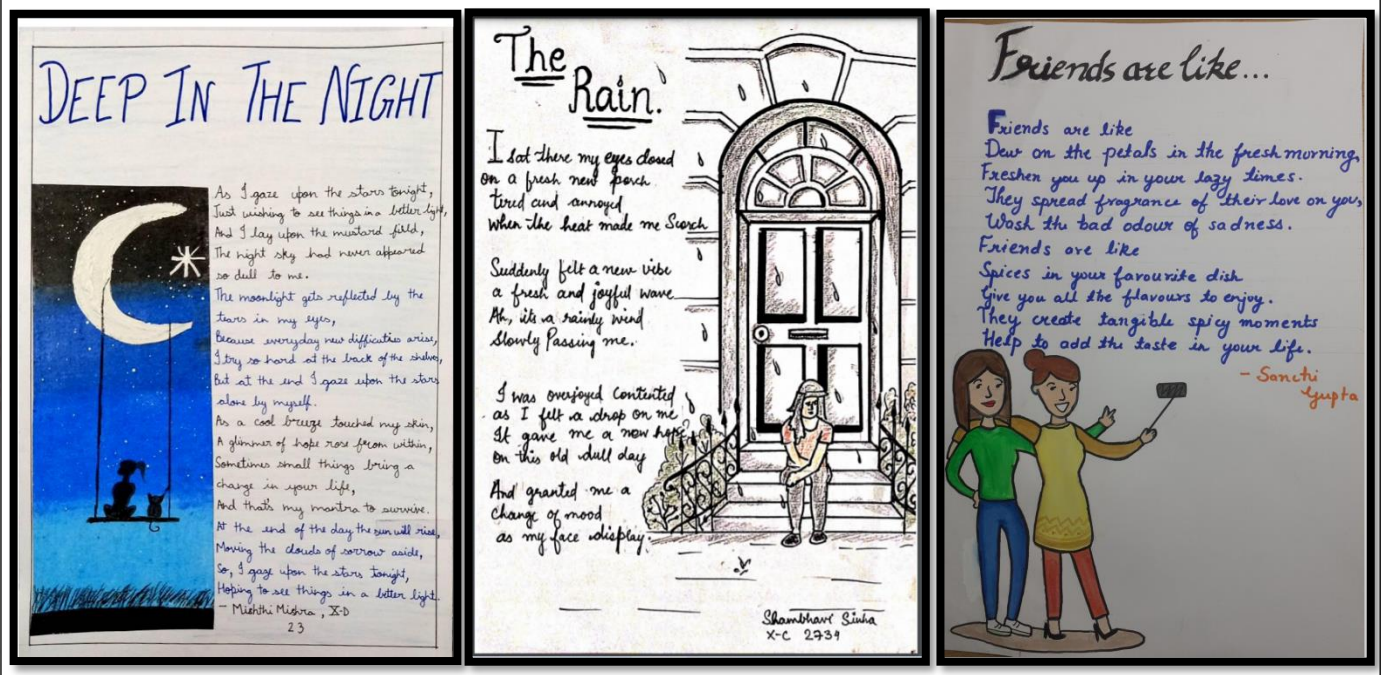

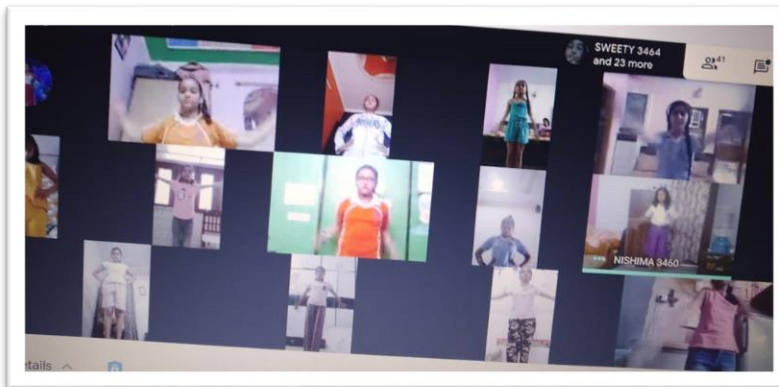

## Triumph & Glories

- Special Mention (WTO): Asmi Jain (XII D)
- Honourable Mention (UNICEF): Pavni Aggarwal (VIII-A)
- Verbal Mention (WTO): Kanak Sharma (XI-A)

Reading and writing poetry supports and enhances students' language and literacy learning experiences by enabling them to convey feelings and experiences in rich and engaging ways. Illustrating poetry is an excellent way to visualise or depict the kind of image seen, remembered or imagined by drawing, sketching, painting or by any graphical representation. To enhance these skills a workshop 'Rhythm and Colours' was conducted on 2<sup>nd</sup> June, 2021 for classes VI-X.

### **Fitness is the key to stay Healthy & Happy**

Sports department of our school has organised a Virtual fitness classes for the students with the aim of encouraging physical activity and exercise for healthy living.

Some specific exercises for strong respiratory system and immune system, Yoga exercises, Aerobics, and General fitness/warming up exercises were the part of the fitness class.

### **List of Inter School Competitions & Webinars attended by our students:**
