

Activities

11/10/17: A special assembly was organised to celebrate Founder's day. The prayer by the school choir filled the air with divinity and soulfulness. Saanvi Gupta of class V-D shared the history of school with all and seeked blessings from Almighty for this beautiful institution.

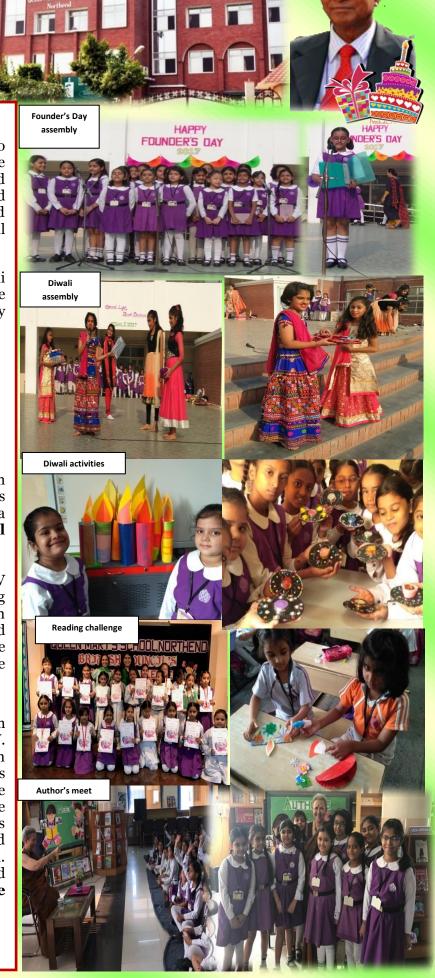

9/10/17 to 13/10/17: On the occasion of Diwali various activities were organised in all the classes focusing on celebrating eco-friendly Diwali.

Class	Activities
I	Paper Candle
II	Paper Plate Diya
III	Candle Stand
IV	Paper Candle
V	Candle stand from CD

17/10/17: A special assembly was organised on account of **Diwali** where students of classes IV & V presented a beautiful skit with a message— 'Spread Light, Dispel Darkness'.

17/10/17: Students of classes III, IV & V participated in the final session of Reading Challenge Program 2017 organised by British Council Library in school, which was followed by **Award ceremony.** Students were felicitated with certificates and medals on the successful completion of this programme.

24/10/17: Author's Meet was organized in the school for students of classes IV & V. Children got the opportunity to interact with Ms. Anupa Lal, a well known children's author. She encouraged the students to write and gave them important writing tips. In the session, she shared her interests and the books she liked in her childhood. She narrated beautiful stories which were full of expression. The meet was very inspirational as it focused on - Why it is important to stay positive in life?

Zonal Primary Athletic Meet 2017-18 Chhatrasal Stadium

(7th Oct'17 - 10th Oct'17)

Long Jump	Sanchi Mittal	V-E	2nd
4 X 50 Mtr.	> Loveleen	V-A	
Relay race	Monishka Khullar	V-E	
	Sanchi MittalMansi	V-E	3rd
	► Walls1	V-D	

"Astronomy compels the soul to look upward and leads us from this world to another"

-Plato

4/10/17: An informative astronomy workshop was organised in the school for the students of classes III, IV and V in association with Mars Education. The aim of workshop was to enrich the knowledge of students about space and celestial bodies. The students were involved in various group activities which enabled them to better understand the working of various gadgets involved in this field. Solar observation made them more inquisitive towards the celestial bodies. Students had a lovely time gathering knowledge about the different heavenly bodies.

Activity 1: Stomp Rocket Making and launching

Explanation on science of rocket was given to them by the resource person.

Activity 2: Solar observation and Pin hole camera making

- Explanation of-(a)Composition and phenomena like solar flare, sunspots etc. (b) How to observe Sun safely?
- Activity 2(a)—Pin hole camera making
- Activity 2(b)- Solar Observation with the help of professional telescope

Activity 3: Journey on the Beam of Light- A virtual journey through the universe

It was an interactive multi-media session where pupils were given an
introduction to various celestial bodies. The session helped them to
visualise the expanse of universe.
