

Queen Mary's School

Northend, Model Town, Delhi

Highlights

December 2020

Glory to God in the highest, and on Earth peace, goodwill toward men.

Luke 2:14

Christmas Celebration

16.12.2020: Queen Mary's School, Northend, Model Town celebrated Christmas by presenting **Virtual Christmas Pageant 2020**. The celebrations commenced with the prayer and scripture reading from the Holy Bible Luke 2:8-20. On the occasion, Rt Revd. Dr. Warris K Masih, Chairman of the School and Bishop of Diocese of Delhi, Church of North India gave his Christmas message about the birth of our Lord Jesus Christ who taught us humility and urged us to inculcate the spirit of sharing and serving. The Founder Chairman Rt Revd. Dr. Karam Masih also gave his blessings of joy and happiness on the occasion. The play - God loves a Cheerful Giver, a melodious Carol Concert and the Nativity Play were the few highlights of the Pageant. To keep the spirit of Christmas high in these testing times, Principal Ms. Anupma Singh shared the message of Hope and thanked everyone for their gracious presence.

23.12.2020: Immersed in the spirit of Christmas, the school organized the Christmas party on virtual platform for the students. The students were beautifully dressed in their favorite party dress, Santa cap, Christmas embellished hair accessories and eye masks. The students sang melodious carols and danced beautifully, thereby, wishing all Merry Christmas. The significance of the festival was explained to the students through the Christmas story. The boundless joy of celebrating the festival was visible on the faces of the children.

Glimpses of Christmas Celebrations

III	Shape it Up	Christmas Code braker
IV	Creative Hangings	Doodle Art
V	3D Model Making	Christmas Tangram

Christmas Activities - Art and Craft

11/12/20: On the occasion of **Christmas** Craft activities were organized for classes I to V.

Class	Craft Activity
I	Christmas tree from disposable cup
II	3D Christmas tree
III	Christmas Eye Mask
IV	
V	Gift wrapping

Webinars and Workshops Attended by Teachers

Online Teacher Training Courses by CBSE Diksha

4.12.20: Pedagogy of Science: In this module, the focus was to facilitate more feasible and efficient teaching - learning of Science through activities and experiential learning. Also, various activities and strategies were discussed to make the learning interesting and interactive among the students.

4.12.20: Pedagogy of Mathematics: This training was very beneficial. It covered the transactional strategies for teaching Mathematics including the assessment part that can be adopted to engage students in learning. It also covered nature, goals and objectives of Mathematics and curricular expectations at Primary Level.

8.12.20: Pedagogy of Social Studies: This module begins with the discussion of the relevance of Social Science at upper primary stage. The aspect of this module was to give an introduction of three subjects in Social Sciences - History, Geography and Social & Political life. This was followed by discussion on the class-specific learning outcomes and pedagogical strategies that the teachers can use in the Social Science classes. One activity can be provided from each subject area and after completing each activity, the teacher can assess the learners' understanding.

9:12.20: Pedagogy of Languages: The training assisted the teachers to familiarize the approach of integrated skills and competencies for literacy and language learning, engaging children in context based and continuous assessment. It also helped in building an understanding of generic concerns such as knowing the learner, gender issues, special needs, inclusive classroom, school based pre-vocational education etc. The module enabled the teachers to understand the processes and use of the strategies for continuous assessment and the reporting of learning outcomes.

4.12.20: Webinar on Wow! Grammar and Composition- Organized by **Eupheus Learning**: The highlights of the training were - while teaching Grammar topics, the focus should be on teaching the meaning and structure simultaneously. It also emphasized on Inductive Approach to help the learners discover the grammar rules themselves. The guest speaker **Arani Banerjee** emphasized on teaching of writing by focusing equally on the process as well as the product. In- depth teaching of topics by covering every topic comprehensively was also emphasized.

18.12.20: Webinar on Unpacking a Text by the Resource person Mr. Scott Thornbury - This highly informative Webinar emphasized on the ways of discovering the layered texts to understand their hidden linguistic and textual features. This Webinar helped the teachers to include the principles of critical thinking and in-depth learning in their English language teaching classrooms. The resource person also shared the important tips and techniques for independent reading and listening for language production in the form of speaking and writing.
