Highlights

January 2021

72nd Republic Day of the largest democracy in the world, India, was celebrated virtually on 25th January in school. The programme was inaugurated with a beautiful classical Dance performance by Manika of II – F followed by a special prayer for our Nation's progress and protection during this time of pandemic. A short-animated video was shown which gave students a glimpse about 'What is a Republic Day?' and 'What are the three types of salutes?'. Glory Hemraj of class V – B and Varisha Haseeb of class IV - C delivered speech to acquaint all with the History and celebration of Republic Day in the National Capital during this times of trial. Melodious patriotic song was also presented by the Primary School Choir. Teachers motivated the students to be respectful and dutiful towards the constitution of our country and become a responsible citizen with a positive attitude.

Art & Craft Activity

4/1/21: Self-made New Year Cards: Why buy readymade card from the market when we are equipped with the skill to create our own using our imagination and creativity? Students of classes IV & V made their own handmade cards to wish their family and friends a prosperous New Year.

Hand Washing Activity

15/1/21: Hand washing is the single most effective way to prevent the spread of diseases. This activity was organized to sensitize the students about appropriate hand hygiene resulting in controlling the spread of infectious diseases. It also reduces the spread of pathogens and prevent infections from disease, including the COVID-19 virus.

Initiative for Research and Innovation in STEM (IRIS) Virtual National Fair

23rd & 24th January 2021.

Two days long Fair organized by *Department of Science and Technology* was the great opportunity both for the students of class V and EVS teachers to gain an immersive experience and witness 100 outstanding innovative, research-based STEM projects from 19 states and 49 cities, covering 21 subject categories. Informative live sessions on diverse topics by individuals from National and International organizations helped teachers to understand how a scientific bent can be developed in the young minds. The Fair was a great learning experience for the students to become aware about the latest developments and diversified field of Science and Technology through many fun games.

Internet Awareness Workshop

“Together for a Better Internet”

29th January’21

Internet safety for kids has become a necessity in today's era. During this time of pandemic, the children of every age are exposed to excessive use of internet. Therefore, it is important to share the internet safety protocols with them. Moving a step forward in this direction Nehru Planetarium organized a learning webinar on Internet Safety in association with “Jaago Teens” for the students of Class 5.

The workshop included:

1. Short story
2. ‘Think before you post’, how does it make a difference?
3. We are all trained to stay alert and safe in the real world. Similarly, one needs to think of safety in the online world. One cannot assume that one is safe just because one is interacting with ‘people’ on the laptop screen or mobile ‘screen’.
4. To share unpleasant online experiences with trusted adults.
5. To be a responsible Netizen. To respect rules online.
6. The real-world danger of online strangers is true. Stay safe even during Online Gaming and avoid clicking on random links.

7. Not to talk about emotions and state of mind on online platforms.
8. Do not indulge in cyberbullying and do not be a bystander if others are being bullied.
9. Cyber Laws prescribe strict punishment for online offences.
10. How to create a strong password?
11. What is plagiarism and why should copyright be respected?
12. Q & A, Safety Pledge

Students enjoyed the informative session on how to Stay Safe Online and use the technology wisely.

Safety Pledge - to be a Responsible Netizen

By following these simple rules, I will help build a safe and responsible CyberWorld.

I will **THINK** before I post anything online. I will **NOT** share personal information about myself or someone else, be it my name, address, phone number, school name or photographs, to my online friends whom I do **not** know offline.

If someone sends me mean messages, I will **NOT** respond and immediately report this to a trusted adult.

I will stay safe even during Online Gaming having understood that Online Stranger Danger is true.

If something happens to me Online that makes me uncomfortable, I will report it to a trusted adult.

I will **NOT** cyberbully anyone. If anyone else is being bullied, I will **NOT** be a bystander.

I will keep my online comments clean and I will treat others in a way that I want them to treat me.

I will **NOT** click random links. I will not download anything sent by strangers.

I will create strong passwords and guard them carefully.

I will not plagiarize and will respect copyright.

I will be a safe and responsible **NETIZEN**

Quiz competition

20th January to 30th January 2021

The students from classes III to V participated in 'Quiz competition' organized by the Department of School Education and Literacy, Ministry of Education, Govt. of India, in association with Ministry of Defence. The main aim of the Quiz was to make the children aware about the significance of our Constitution, unity and integrity of our Nation and also provide them an opportunity to become patriotic towards the Nation.

The Quiz was conducted on mygov.in portal. The themes for the quiz were:

1. Indian Constitution
2. Our struggle for freedom
3. Warriors of Indian Independence
4. Knowledge, Traditions, Practices and Heritage of India

Webinar Attended by Teachers

29/1/21: Art Integrated Learning- Creating Joyful Classroom - The Webinar was highly informative as the guest speaker Ms. Ruchi Sengar shared the strategies of utilizing Visual and Performing Arts in teaching-learning process. This will help the teachers to use Art as a pedagogical tool in the classroom. The purpose of Art Integrated Learning was explained in order to promote Experiential Learning where every learner is provided opportunities to go through the Art experience to understand and learn different subjects. To make learning a joyful experience and develop problem solving abilities, the projects and activities were discussed for the holistic development of the children.
