*You can find magic wherever you look,
Sit back and relax all you need is a book!*

-Dr Seuss

The school Library brought a visual treat for the students to mark the *International Literacy Day on 8th September*. Reading Week was organized for students of classes I to V. It aimed at enhancing the literary skills and focused on developing the reading interest of the students. Multifarious activities and interesting events like **Read-A-Thon, Role-Play and Book Flix** were organized. The students enacted their favorite story character for the event '**Be Your Favourite Character**'. Students also took up **Read Aloud** activity where they narrated stories and shared recorded videos and photos with their teachers.

Live storytelling session by an accomplished story teller - **Ms. Lopamudra Mohanty** was organized for classes Kindergarten, I & II on 11th September 2020. The students enjoyed this engaging session that transported them to the world of tales.

15.9.20: Story Telling: A Story Telling session was organized for classes IV and V with **Ms. Priyanka Chatterjee**, an International story consultant from Kolkata. Students enjoyed an hour full of edutainment. Surely, it was a great experience for all.

Webinars and Workshops Attended by Teachers

4.9.20: English Webinar on Storytelling: The Webinar focused on importance of storytelling. The speaker, **Mr. David Heathfield**, an international storyteller, teacher trainer and writer emphasized on the role of Teachers and Parents as a storyteller in a child's life. The Webinar was full of learning different ways of storytelling and its implementation in classroom

6.9.20: हिंदी का रचनात्मक और रोजगारात्मक शिक्षण -संभावनाएं और चुनौतियाँ: In the webinar various speakers laid stress on the need of technology in teaching Hindi language, i.e. a step forward from chalk talk to e-learning. The educators were introduced to various web applications for making learning more interesting for students.

10.9.20: Launching of Online Teacher Training Course on Competency-Based Education by CBSE Diksha: The training laid emphasis on lifelong learning process which should be inclusive and needs of the students should be met in this process. Classroom teaching plays an important role which includes the pedagogical principles aligned to meet needs and goals of the students. It gave an insight into the careful planning of the teaching learning process in school.

10.9.20: Webinar on National Education Policy 2020: The online webinar for educators introduced the principles and vision of the National Education Policy 2020. NEP aims to emphasize on the development of the creative potential of each individual. It is based on the principle that education must develop not only cognitive capacity—such as critical thinking and problem solving— but also social, ethical, and emotional capacities of an individual. The webinar also focused on NEP vision of an **'India-centered'** education system that contributes directly to transforming our nation sustainably into an equitable and vibrant knowledge society by providing high quality education to all. The webinar was very informative and helped the educators to set their visions and pedagogical techniques according to NEP 2020.

11.9.20: Webinar on Parents Contribution to the Child's Reading: This informative Webinar focused on helping teachers to understand and explore the importance of Reading during pandemic. The guest spokesperson **Ms. Chitralekha Bhaskar** explained the significance of reading in an interesting way and how to utilize it in our daily life. The Webinar focused on Parent's contribution to the child's reading journey as it helps them to grow in knowledge and skills.

19.9.20: Safety for Teachers Conducting Online Classes: The Webinar was organized by YMCA, Greater Noida Programme Centre (GNPC). The guest speakers discussed the challenges faced by teachers taking online classes during this pandemic. Various steps were discussed about internet safety, using privacy settings and setting strong passwords amongst others. It was a highly informative Webinar.

20.9.10: Learning Outcomes and Pedagogies: The highlights of the online training course by **CBSE Diksha** were- Learning Outcomes based on Competencies, Active Collaborative Learning, Evaluating Learning Outcomes, Involvement of Students in Assessment Process, Rubrics and Marking Schemes. Blooms Taxonomy and its main domains were explained. The new revised Blooms Taxonomy was diagrammatically explained too. Active learning strategies like Case Based Learning, Field Based Learning, Inquiry Based Learning, Community Based Learning were explained with their importance.

**“The Capacity to learn is a gift; the ability to learn is a skill;
the willingness to learn is a choice”**

-Brain Herbert
