

APRIL HIGHLIGHTS

Earth Day-22nd April 2018 Earth Week Celebration

16th April '18 - 20th April '18

Earth Week was celebrated in school with great enthusiasm and zeal. The students took active part in the Art & Craft and Seed Germination activities. Students planted the seeds of Lemon, Chickpea and Carom into the soil and observed their growth each week. Now, those seeds have germinated and it is really exciting to see them grow. The main aim of the event was to motivate and spread awareness among the students to make our surroundings green and protect **MOTHER EARTH**.
