

CLASS - VI

Summer Break Activities 2018-19

Summer break is the best time to rejuvenate ourselves. It gives us time to explore constructive and creative ideas. It is a time where leisure activities undertaken give a new meaning to life. Learning by doing can be aptly practised during this time!

Being aware of our environment is crucial part of improving our lives. We now recognise that we can make a positive impact on our health and living by making few life style changes.

World Environment Day is celebrated on 5th June every year. You are suggested to ponder on the following points:

Recycle, reduce and reuse plastic products in daily life. Stop excessive use of plastic bottles (use glass bottles instead). Use alternative biodegradable products and help in keeping our surroundings clean.

It's a wonderful time of the year to get together with friends and family to celebrate and be thankful for all of the wonderful people in our lives.

Let us help to encourage each other and do our best to utilize the summer vacation wisely.

Wishing you a happy summer break.

Stay Blessed

Educators of Class VI

Where are you going, summer breeze?
Off beyond the fields and trees.
What do you see when you blow that way?
Children jumping from bales of hay.
What do you hear as you travel the land?
People dancing to an outdoor band.
What do you smell as you rush about?
The perfumes of blossoms bursting out.
What do you taste as you soar up high?
Fresh corn on the cob and apple pie.
What do you feel as you climb to great heights?
The heat of the day and the warmth of the night.
What do you wish for as you leave?
Let all children enjoy this midsummer eve.

(A) Writing is a natural consequence of reading! The more a child reads the better is her writing. Encourage your child to maintain a **travelogue*** and pen down her thoughts while visiting any destination during holidays expanding on the theme – ‘What a wonderful world’.

*TRAVELOGUE : It is a person's account of a journal to another country or a place.

Tips for writing a travelogue :

- Give a photographic description
- Highlight the various attractions
- Ways and means to reach the destination
- Tourist attractions
- Cultural background of that place
- Some Do's and Don'ts

You may also support your project with drawings/ sketches/ personally clicked photographs.

(B) “Whenever you read a good book, somewhere in the world a door opens to allow in more light.”

There are multiple advantages of reading - strengthening of language skills, sparking of imagination and ideas, and a subtle refining of character.

Recommended list of reading :

1. The great stories for children by Ruskin Bond.
2. Our Tree named Steve – by Alan Zweibel
3. The Curious Garden – by Peter Brown
4. The Tin Forest – by Helen Ward
5. The little Gardener – by Emily Hughes
