Earth Day Celebration

“Earth rejoices our words, breathing and peaceful steps. Let every breath, every word and every step make the mother Earth proud of us.”

-Amit Ray

Earth Day-22nd April 2022

Our Earth is the only planet with the continuity of life, so it becomes more and more important to generate a sense of urgency of saving mother Earth from all sorts of harmful activities. Nature is suffering, Oceans are turning acidic, it is high time that we work together to save this beautiful blue planet as our survival depends completely on it.

Earth day inspires us to act towards the protection of our environment and focuses on the need for its conservation. Thus, to make students well aware of different ways to lead a sustainable and healthy living while taking care of the Earth, various activities were organised during the month of April'22. Students also took pledge to practice the **6 R's: 'Rethink, Reduce, Refresh, Repair, Reuse and Recycle'**, to promote harmony with nature. The whole month was dedicated to Mother Nature and Students actively participated in the following activities-

Glimpses of Earth Day Activities

Labour Day Celebration

“No human masterpiece has been created without great labour.”- Andre Gide

Labour Day is observed on **1st May** every year to honour the contribution of working men and women. On this special occasion, people celebrate the true spirit of our helpers. The students of Classes I to V celebrated the day by participating in various interesting activities designed to give a better understanding of the labour community and to instill a sense of respect towards them.

Name of the activities:

Class	Activities
I	Thank You Card Making
II	Making and decorating Key Ring
III	Thanksgiving – Pot Decoration
IV	Face Mask decoration
V	Cap Painting

The students gifted few cards, key rings, pots, masks and caps to our helpers in school as an expression of their gratitude and appreciation for them.
