Award Ceremony

Session 2021 – 22

"Success is the result of perfection, hard work, learning from failure, loyalty, and persistence."

-Colin Powell

Award ceremonies are organized to appreciate and recognize the young talents, who work hard with utmost dedication and sincerity and prove their mettle in various fields.

The Annual Award Ceremony for the Academic Session 2021-22 was held on 7th September'22 in the distinguished presence of our honourable Principal Ma'am, along with the School Coordinators and teachers. The ceremony began with a melodious rendition by the school choir followed by a prayer to seek blessings of the Almighty. The Award ceremony was held amidst much joy, cheer and applause as the beaming students received certificates for their remarkable performances during the session.

Our ever inspiring Principal, Ms. Anupma Singh appreciated the hardwork and determination of students. She congratulated all the achievers on this gracious occasion and encouraged them to stay focused and motivated to achieve the best in life.

The jubilant event concluded with vote of thanks by the Primary school Coordinator, who appreciated the efforts of students, parents and teachers for making this event a memorable one.

Competition

28.8.22-Joyel Bhutani of class 1-B won third prize in an *Inter-School Competition* organised by *Maxfort School, Rohini* under the guidance of the teacher incharge Ms. Akanksha Goel and parents of Joyel. Her exceptional zeal and zest was worth the applause.

The theme of the competition was 'Disney'. She dressed up as the character of Genie and enacted with great confidence and liveliness. This platform gave her a precious opportunity to exhibit her creative aspect as well as her dramatic skills. Kudos! to her enthusiasm and hard work.

Webinar attended by Educators

26.09.22 - 30.09.22: **Virtual Labs for Teaching, Learning and Assessment by CBSE-** These 3 days webinar discussed in detail about the Policy Perspectives, Need and Scope of Virtual Lab, types of labs with special emphasis on language labs. The webinar revolved around the definition, uses and ways to incorporate Virtual Lab in a school setup. The session was useful as it dealt with how Labs of different subjects can be assimilated in a school, especially Science & language labs and can be used as an effective tool in enhancing various skills of the learners.

29.9.22-30.9.22: A webinar on VEDIC MATH was attended by the teachers which discussed about the interesting techniques of Vedic Math and learn the uncomplicated problem solving methods for various Mathematical operations. The webinar apprised all with various tricks to make the calculations faster and accurate. The webinar was really engaging and a great learning experience for all the participants.

Success is peace of mind, which is a direct result of self-satisfaction in knowing you made the effort to become the best of which you are capable.

John Wooden
