

MY SUMMER TIME
CLASS IX
2023-24

Art-integration is a cross-curricular pedagogical approach that utilises various aspects and forms of art and culture as the basis for learning of concepts across subjects. As a part of experiential learning, art-integrated education creates joyful learning and imbibes the Indian ethos. It is integration of Indian art and culture. This integrated approach will strengthen the linkages between education and cultures.

Given below are the summer time activities integrated with various art forms.

Hindi

अंडमान और निकोबार द्वीप समूह भारत का एक केंद्र शासित प्रदेश है, जिसकी संस्कृति अपनी परंपराओं का सार जोड़ती नजर आती है। द्वीप समूह की कला, शिल्प और रचनात्मक कलाकृतियों के दुनिया भर में प्रशंसक हैं, इनमें से एक महत्वपूर्ण कला है- 'कठपुतली निर्माण।'

कठपुतली बनाकर इसके माध्यम से अंडमान निकोबार द्वीप समूह की विभिन्न जनजातियों के जीवन, रहन-सहन, खानपान, वेशभूषा, भाषा, मनोरंजन के साधन, मुख्य व्यवसाय आदि को प्रस्तुत करें।

दिशा निर्देश :-

1. पुरानी वस्तुओं, कपड़ों इत्यादि का इस्तेमाल करते हुए कठपुतली तैयार करें तथा अंडमान निकोबार वासियों की सभ्यता को दर्शाएँ।
2. सभ्यता व कार्यों को दर्शाने हेतु संवाद लगभग 100 शब्दों में A4 पृष्ठ पर लिखें।
3. संपूर्ण प्रस्तुति को दर्शाने के लिए आवश्यक पृष्ठभूमि तैयार करें।
4. गतिविधि सामूहिक रूप से 6 छात्रों के समूह द्वारा प्रस्तुत की जाएगी।

प्रयोग में लाई जाने वाली सामग्री:-

आइसक्रीम की डंडियाँ, लकड़ी की डंडियाँ, रुई, कपड़ा, रंग बिरंगे कागज, कैंची, रंग, सजावट की सामग्री, डोरी आदि।

English

Palm trees swaying in the breeze, beautiful white sandy beaches and an inviting blue ocean. Is this a postcard you're looking at? Could be. But there's more to Andaman and Nicobar than just the holidays. Its people who celebrate their festivals with the same passion and fervour as on the mainland. **Literature Fest – Sahityotsav** is one such attraction of Andaman and Nicobar Islands.

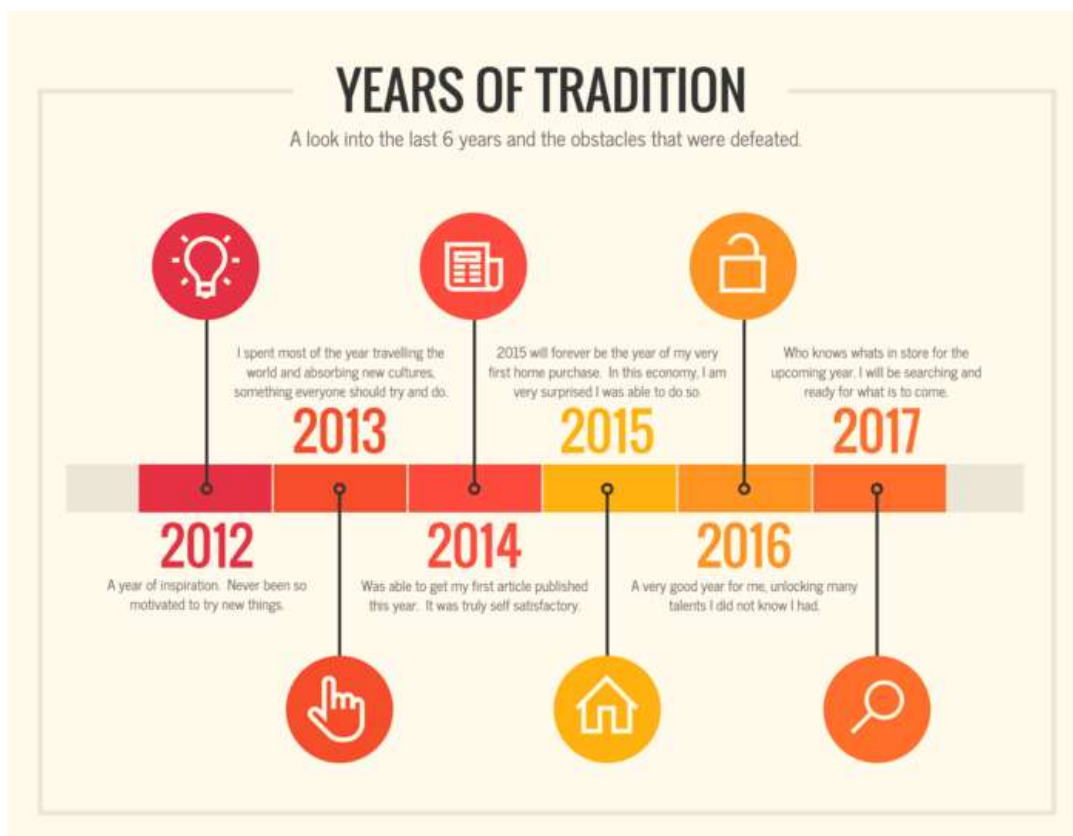

The first **Lakshadweep Literary Fest-LLF**, which marks the art, literature and culture of Lakshadweep, is the first step in an effort to expose the island's vernacular and the literature derived from it to the world, which has been left out of mainstream literature.

Pick one writer of your choice from Lakshadweep, Andaman and Nicobar Islands, and write a review of any of his/her book in **250-300 words** and on an **A4 sheet** redesign the book cover as per your interpretation.

Maths

TIMELINE INFOGRAPHIC

A **TIMELINE INFOGRAPHIC** is a type of infographic that visually displays information in a time progression context. It may visualise past and future events like financial reports and growth, historical events for the past, and project milestones, strategic planning, for the future. Timeline infographics are one of the best ways to make complex information more interesting, digestible and easier to follow. Timeline infographic is one of the most popular formats in financial reports, strategic reports, and presentations. An example has been given below.

How is the outline for a timeline created?

*Pick a layout for your timeline infographic.

*Create the framework for your timeline.

*Add dates, text, and images to your timeline infographic.

*Embellish your timeline with colours, fonts, and decorative shapes.

Create a neat Timeline Infographic depicting the historical benchmarks and path breaking events affecting the growth & development of the Andaman and Nicobar islands, on an A3 sheet. Do not forget to ensure that timeline is to proper scale.

Science

Educational Toycathon: Let's Put Education To Play

Educational Toycathon is an effort with the aim of learning science in a play way method. Let's aim to bring forth innovation in designing toys.

ACTIVITY: Make any one of the following toys:

1. Toy using waste and recycled material
2. An eco-friendly toy.
3. Educational toy for specially abled children.

Also study the scientific principle (like force, pressure, gravitation, sound, chemical reactions etc.) involved in the working of the toy and list them on a A4 size sheet.

What waste should not be used?

Toxic containers, sharp edge materials, tools with sharp edges, chemical waste, medical waste like syringes, used bandages, hazardous items/material etc.

Kindly note the following reference points:

1. Food containers, such as milk or egg cartons, should be thoroughly washed and dried.

2. Use Washable / recycled fabric.
3. Choose paints, crayons, markers and other art materials that say “non-toxic.”
4. Edges on joining parts of components should be blunt.
5. If any sharp edged item is used in Toys, it should have soft tips made out of cork or rubber.
6. Take care while using magnets, small marbles and metal balls.
7. Toys which are powered by batteries to be made with precautions and under supervision of an elder or expert.

Note- Activity must be conducted in a group of 5 students.

Social Science

DISASTER MANAGEMENT PROJECT

'When we are prepared and equipped, disasters clearly have much less impact , especially in terms of loss of lives.'

Andaman- Nicobar Islands (ANI) and Lakshadweep lying 2258 km and 3169 km apart from Delhi ,respectively, are multi hazard prone areas of India. The coastal areas are also prone to hydro - meteorological disasters such as floods, tsunami,cyclones,etc.

INDIVIDUAL FILE WORK:

1. Introduction to Disaster and Disaster Management.
2. Distinguish between Man made and Natural Disasters with reference to last five years disasters.
3. Write a newspaper report on the following topic as per your roll no.-
 - 2016 Cyclone Vardha in Andaman- Nicobar islands (Roll. No. 1 to 15)
 - 2016 Earthquake in Lakshadweep (Roll no. 16 to 30)
 - 2017 The Great Delhi Earthquake (Roll no. 31 to 45)
4. Prepare a 3D guide (using A3 size sheet) on Do's and Don't to be followed during the disaster (allotted as per roll no.)

Note: Support your findings with statistical data and relevant pictures.

GROUP ACTIVITY:

Plan a mock drill based on mitigation strategies that can be followed as preventive measures to avert the effect of that particular disaster or any other disaster. Educate the people regarding the medical facilities available concerning the same.

For Example : You are working as a manager in a Multi - National Company, plan and execute the evacuation plan in case of a fire emergency. Show characterization of the same.

French

“Learning another language is not only learning different words for the same things, but learning another way to think about things”

Flora Lewis

France is known all around the world for Paris and its monuments such as :

1. Eiffel Tower - Located in Paris, the Eiffel Tower is an iconic symbol of France and one of the most famous landmarks in the world. It was built in 1889 for the Exposition Universelle (World Fair) and offers stunning views of the city from its observation decks.
2. Notre Dame - Located in the heart of Paris, Notre Dame is a masterpiece of Gothic architecture. It is considered a symbol of Paris and has inspired countless works of literature, art and music.
3. L'Arc de triomphe- Situated at the western end of the Champs Elysees in Paris, the Arc de Triomphe is a monument dedicated to French soldiers who fought and died during the French Revolution.
4. Panthéon- Construction of the Pantheon began in 1758 and was completed in 1790. It was commissioned by King Louis XV to replace the original church on the site. After the French Revolution it was transformed into a memorial to honour distinguished French citizens.

5. Sacré cœur- The Sacré Coeur is a significant cultural and religious landmark in Paris, attracting millions of visitors each year. Its stunning architecture, panoramic views and spiritual ambiance make it a must visit destination for tourists and a place of devotion for worshippers.

We live in a digital world nowadays, or an 'e' world as some may like to put in. We have concepts such as 'e-business', 'e-commerce', 'e-marketing' and 'e-service', so it seems it was only time before the idea of 'e-tourism' emerged. Explore about E-tours and create a beautiful E- tour of any one of the above monuments

- Find out 10 amazing facts about the chosen monument and mention them down in your E-tour in French.
- This activity should be completed individually by each student.

Sanskrit

संस्कृत में 'भारतीय विज्ञानम्' विषय पर एक रिपोर्ट तैयार करें

- वैज्ञानिकों का संक्षिप्त परिचय देते हुए अविष्कारों का वर्णन करें
- वीडियो के माध्यम से रिपोर्ट प्रस्तुत करें।
