

# QUEEN MARY'S SCHOOL, NORTHEND

## HIGHLIGHTS APRIL 2023

### DEAR PARENTS & STUDENTS

It is our pleasure to welcome everyone to yet another exciting year of learning with energy and enthusiasm.

With immense pride and joy I would like to share that our school marks a vicennial in educating and empowering the girl child. Our vision is to enable each individual reach her potential where learners feel valued and create a culture of good values and give back to the society as responsible citizens of tomorrow.

Our special welcome to the students and parents who have joined Queen Mary's School, Northend family this session.

Let us all strive hard & soar high together.

# WORLD EARTH DAY —

“The earth is what we all have in common.”

—— Wendell Berry

## Special Assembly

Special assembly was conducted on 22.4.2023. The students of class X presented a play on the topic “Evolution of Earth” along with a Nukkad Natak depicting how we have damaged our earth. In the end the students and staff took a pledge to save our Earth and celebrate Earth Day Everyday .

## Earth Day 2023

Eco club of our school along with all the students and staff celebrated Earth day 2023 with enthusiastic fervor. A special assembly & plethora of activities were organized in the school to create awareness about the need of environmental protection and various ways to combat the climate crisis throughout the week.

## The students spread awareness about protection of Mother Earth through different activities :

A **Plantation Drive** was conducted at and around the school campus by the Eco club Students of our school. Principal ma'am began the Plantation spree for this year by planting a Guava sapling.

Class VI : Book Mark Making

Class VIII : Wall Hanging Making

Class IX & X: -Poetry Writing

Plastic Bottle collection for RVM

Class VII : Bird Feeder Sticks

### Class XI & XII-

**Cleanliness drive (21.4.23)** - Members of Eco Club conducted a cleanliness drive around school . Encouraging the concept of zero waste and zero garbage in the school.

**Plastic Bottle collection for RVM (21.4.23-28.4.23)** - students from all classes collected Plastic Bottles .The exercise will ensure that the plastic bottles do not add to the pile of waste but rather are recycled through Reverse Vending Machines, Located in Rajiv Chowk area of Delhi .

**Inter House Debate (28.4.23)-** There was an enthusiastic participation of the students in the debate competition and the topic of the debate was - *Science has ruined our Earth* .

# World Heritage Day

"Heritage is our legacy, what we live with today, and what we pass on to future generations.

Our natural and cultural heritage are both irreplaceable sources of life and inspiration."

Students of Queen Mary's School Northend celebrated World Heritage Day on Tuesday 18th April 2023. The day is also known as the International Day for Monuments and Sites. A special assembly was organised by the students of class IX to spread awareness showing the importance of the diversity of cultural heritage and preserve it for future generations.

## SALLY RIDE EarthKAM - A NASA outreach Program

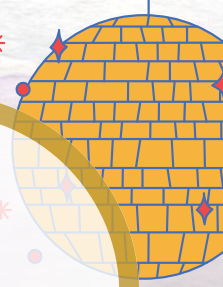

The senior students of Queen Mary's School, Northend exhibited great enthusiasm as they participated in the Sally Ride EarthKAM - April 2023 Mission training session. This program is a NASA-sponsored citizen science project that allows students and teachers to request images of their chosen locations on Earth from a digital camera mounted on the International Space Station (ISS). The 83rd mission of this project was active from April 10th to April 13th, 2022 in India.

Enthusiastic artists of our school visited Annual Art exhibition at College of Art, Tilak Marg. It was an enriching & learning experience for all students.

# International Dance Day

Queen Mary's School celebrated the International Dance Day with great zeal and gusto on 27th April 2023.

An Inter-class dance competition was organised wherein the students showcased brilliance and finesse in each move, jolt, lift and twist. All presentations were highly appreciated for their energy, thoughts and efforts.
