HIGHLIGHTS

AUGUST 2025

Dear Parents & Students

The month of August was filled with learning, joy and celebration for our kindergarten children. Our little ones participated in various activities that helped them grow academically, socially and aesthetically.

Independence day Celebration - on 13th August 2025 our Kindergarten students showcased a mini tricolour parade by walking on stage waving with pride to honor and celebrate the contributions of Indian women who broke barriers and inspired generations. It was a reminder for all the students that true strength lies in determination and resilience.

Our little ones actively took part in Swachhata Pakhwada with great enthusiasm. Children learned the importance of cleanliness and keeping our surroundings clean and green.

“Clean India, Green India.” These small steps by our tiny hands created big awareness about the value of hygiene and a healthy environment.

“Little hands, big hearts”

Our students joyfully participated in Rakhi making activity. They learnt the importance of Raksha Bandhan as a festival of love and protection. The excitement on their faces while making the rakhis was truly heartwarming.
