

QUEEN MARY'S SCHOOL, NORTHEEND

HIGHLIGHTS

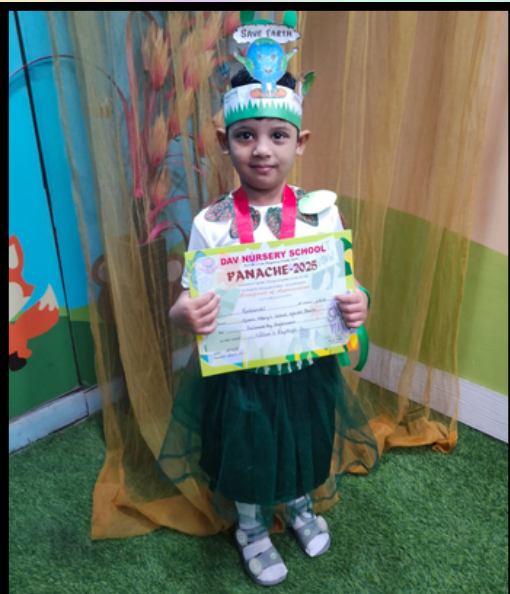

JULY 2025

Dear Parents & Students

“Welcome back, dear students ! We hope your summer was filled with sunshine, joy and wonderful memories. Now it’s time to turn the page to a new chapter of learning and growing together. Let us take blessings from Almighty and start afresh with new energies to learn new things.

Our students participated in an Interschool competition held at Dav public school on 19th July 2025. It was a wonderful opportunity for our young talents to showcase their skills and interact with peers of other schools.

“Success tastes sweeter when
it’s earned with effort”

Emblazon Talent Fair 2025

On 24–25th July 2025 – An Interschool event –Talent fair was hosted by our school . Students from various prestigious schools participated in an array of events to showcase their talents .

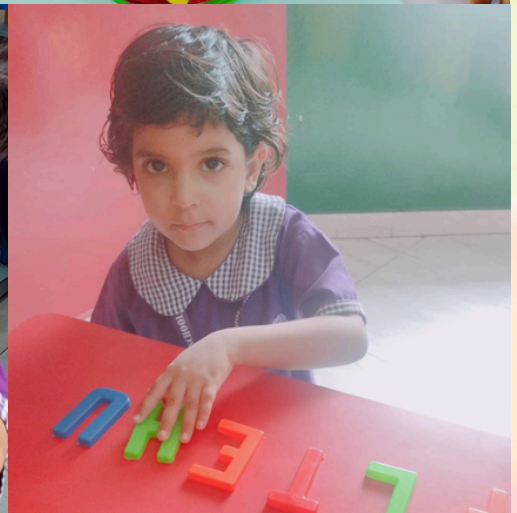

The Elocution Competition was held on 24th July . With the theme "Elements of Nature." Our young participants highlighted the importance, beauty and conservation of nature.

The event "Twist in the Fable" was held on 25th July. The event allowed students to present classic fables with a unique Twist. It was a magical day where stories came alive through the sweet voices of our tiny tots.

"Hands-on fun, minds-on learning !"

Let's build with shapes.

"Discovering Slanting Lines"

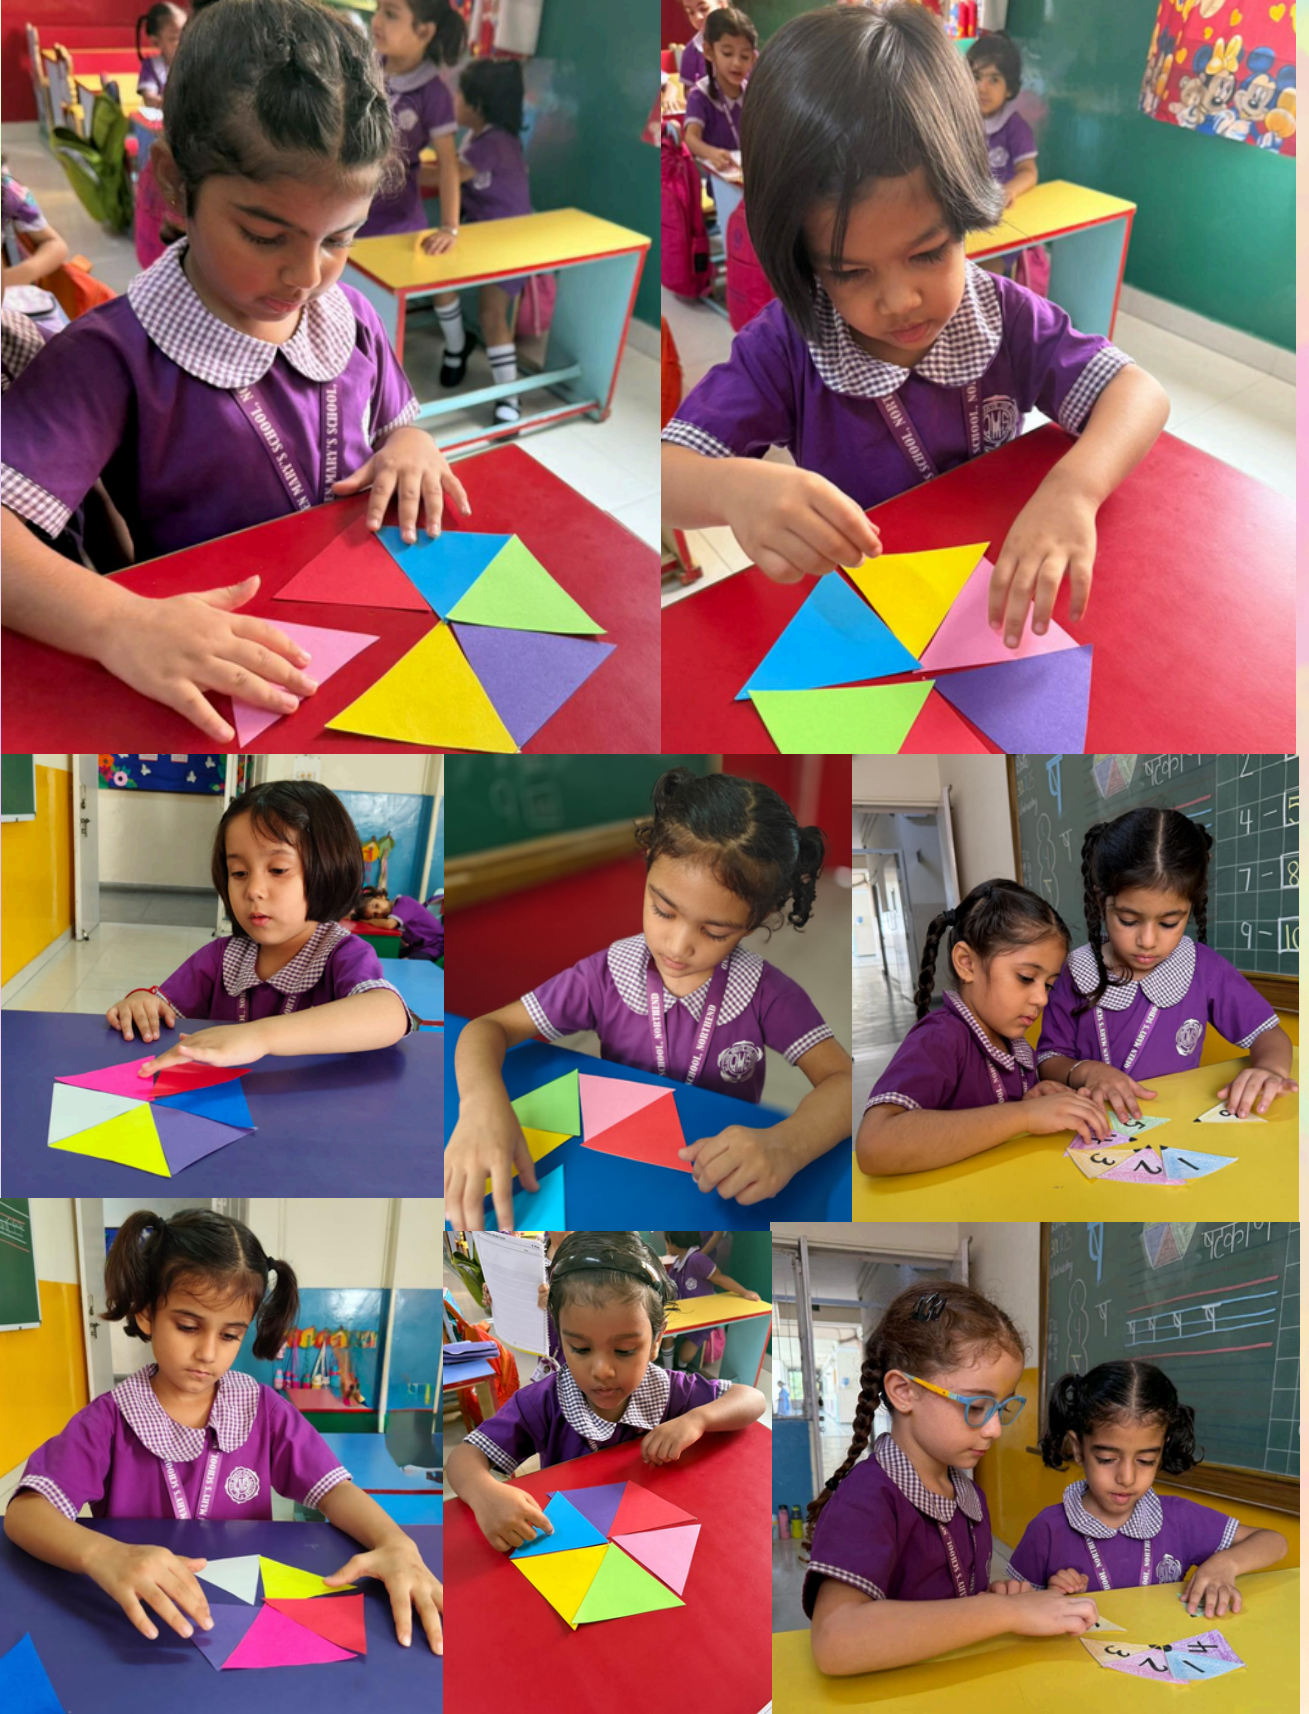

"Line Up for Learning"

ष से षटकोण छह कोनो वाला,
कितने सारे रंगो वाला।

"व्यंजन"-ष

"What Comes Next? Sparking Curiosity, Step by Step!"

Backward counting is fun

"व्यंजन के संग मज़ेदार सफ़र"

To spark creativity and colour awareness among our young learners a fun filled "Hues and shades" activity was conducted which helped students build confidence in speaking and also deepen their understanding of colours. With excitement and bright smiles, they stood up to say few simple lines about their favourite colour. The kindergarten classroom turned into a colourful canvas, full of joy, learning and wonder.

"Every colour is a new way to see the world!"
