

# AUGUST HIGHLIGHTS 2025

*Heavenly Father,*

*May August bring us fresh energy to learn, grow, and support one another.  
Help us to show kindness in our words, honesty in our actions, and respect for  
all around us.*

*Let our efforts this month lead to new discoveries, deeper friendships, and a  
stronger sense of community in our school.*

*Together, may we make this month meaningful and bright.*

# Model United Nations Conference 2025

*"Nine Years of Diplomacy, One Vision for Tomorrow"*

The Ninth Edition of the Queen Mary's School Northend Model United Nations Conference reaffirmed the institution's vision of fostering global citizenship and leadership among students. For nearly a decade, Queen Mary's School has distinguished itself by hosting a conference that transcends simulation, cultivating a community dedicated to dialogue, innovation and collaboration. The event provided a distinguished platform for delegates to deliberate upon critical world issues, seek common ground and propose constructive solutions, thereby exemplifying the school's commitment to academic excellence and holistic development.

GD Goenka School, Model Town, was awarded the Best School Delegation in recognition of their outstanding performance.

### 79th Independence Day Celebrations

The day echoed with patriotism and pride as heartfelt prayers, soulful hymns, and inspiring speeches to set a solemn yet uplifting tone for the celebration. Thoughtfully curated cultural performances—including a moving mime and an impactful skit—beautifully captured the essence of unity in diversity and the vision of a brighter tomorrow. The celebration not only paid tribute to the nation's glorious past but also inspired young minds to embrace responsibility and contribute to building a stronger, more vibrant future. ✨

### **Queen Mary's School Northend Takes the Golden Glory!**

Our school has added yet another feather to its cap with a remarkable national triumph. The school's budding scientists — Anubhuti, Ruddra, and Ayushi Singh (Class XII) — have secured First Position at the national level in the Model-Making Competition organised by Nehru Planetarium in association with Pradhanmantri Sangrahalaya on the occasion of the 2nd National Space Day.

Competing against the finest young minds across the country, the team advanced through rigorous rounds to be counted among the Top 20 finalists from India before ultimately emerging as the National Winners 🏆.

Adding to the moment of pride, the students received appreciation from Group Captain Shubhanshu Shukla – the second Indian to travel into space and the first to dock at the International Space Station – making the achievement even more memorable and inspiring for the entire Queen Mary's School Northend family.
